

Mount Pleasant Model Aircraft Club

May 19, 2010 Monthly Meeting

Mount Pleasant Airport Terminal Building

Members Present:

Dan Woods, Paul Haviaras, Monte Stratton, Al Haynes, George Jennings, Brian Krulicki,
Norm Eifler, Steve Worth, Jason Weber, Mark Manley

Meeting called to order at 6:30 pm

- Dan shared pictures from his trip to the Joe Nall in South Carolina
- Discussion regarding the success of Randy's Heli funfly at Woodruff Lake Airport.
- Dan met with the manager of the new Batteries Plus store in Mount Pleasant.
We have corporate pricing available to us for our battery needs, just show your AMA membership card at the store.
- Discussion of 2.4 Mhz radio problems. Suggestion to turn radio on for 1 minute prior to turning airplane on to allow the radio to find the clearest frequencies for use.
- Discussed the new club website.
- We set a date for a club picture for the front page of our website. The date is June 19, 2010 at 10:00 am, please try to arrive on time and bring your planes.
The actual picture will be taken at 11 am.

- We formed a committee to develop the wording for the "About" page of the website, describing our club. Dan and Steve will handle this job.
- Dan will get the club mowing schedule up on the website.
- Submit links to Dan for addition to the website. Any model related links can be submitted to Dan for inclusion on the Links page of the website.
- Anyone that wants to have their pictures/videos appear on the club website should send Dan a link to their picture/video location on the internet. Dan will handle linking your pics or video to the club website.
- Dan plans to add a member tab to the website. This will show club member pictures along with membership status.
- George and Norm will work on rewording the home page text.
- Norm reports we have \$1312.36 in the club checking account.
- Jason will spray the field with 24D for weed control.
- A new club banner should include the words "Spectators welcome"
- Discussion of perhaps having monthly meetings at a gymnasium and encourage members to bring indoor electrics to fly after the meeting.
- Discussion regarding having our club put on a funfly / event to help out local charitable organizations. This will help legitimize our club with the general public.

Meeting adjourned at 7:40 pm

Next meeting date and time to be announced and emailed.
