Meeting called to order at 1:10 pm

- Reviewed February 2011 minutes. Motion by Al to approve minutes...second by Randy....motion carried.
- Treasurer's Report. Beginning balance \$1743.51, Income of \$80 from dues, Expenses \$27 Fair Sponsorship and \$98 Club Charter Fees, Current Balance of \$1698.51. Motion by Monte to approve the treasurer's report, seconded by Milo, motion carried. We have a total of 20 Paid members as of 3/19/2011.
- Reviewed Lime & Fertilizer prices. We will pick up the lime and fertilizer the day of our work detail.
- There was discussion concerning the Mount Pleasant Summerfest. Randy contacted the festival chairwoman and she informed him we could setup a display at a cost of \$15 per day for the 3 days and we would be located in the vendor area. The cost for insurance from AMA for the event would be \$20. The

cost of a 20x20 tent + tables would be approximately \$350-\$375 for the weekend. The prominent discussion was that this was too much to spend from our budget. Brian asked if there would be any interest in attending the event and using Easy-Ups instead of a large tent. Nobody expressed any interest in attending the event and the discussion was closed.

- Motion by Jim, seconded by Jerry to Repaint sign and add 2 signs designating public welcome. Also to place an ad in the Morning Sun and Buyers guide making the public aware of our field and activities. Motion carried.
- Jason expressed his desire for water out at the field for safety. His cost estimate is approximately \$500. Discussion again related to the significant portion of our budget required to do this. A suggestion was made to look into a portable eye-wash station and first aid kit for the field.
