

**Mount Pleasant Model Aircraft Club**  
March 21, 2015 Monthly Meeting  
Mt. Pleasant Baptist Church

Members Present: Brian Krulicki, Matt Szymczak, Barry Kissoondial, Monte Stratton, George Jennings, Milo Frisbie, John Harper, Susie Harper, Norm Eifler, Paul Baumann, Mark Szymczak

Guest: Will Burns

Meeting was called to order at 1:08 p.m. by President Brian Krulicki.

- The minutes of the last meeting were distributed. Motion to approve by George Jennings, seconded by Norm Eifler. Motion carried.
- Treasurer's report showed a beginning balance of \$1097.76, with no income, and an expense of \$41.05 for website renewal, leaving an ending balance of \$1056.71. Motion to approve report by Monte Stratton, seconded by Milo Frisbie. Motion carried.
- At the time we purchased our new mower last year, we had agreed that it would be prudent to purchase an extra set of mower blades to have on hand. Paul presented a quote for replacement blades (\$14.00 each). Paul will make the purchase and will be reimbursed by the club.
- The last indoor flying at Finch Fieldhouse is scheduled for Sunday, April 19, from 11:00-5:00.
- Our last indoor flying at the Baptist Church is scheduled for Saturday, April 25, from 10:00-2:00, with our April club meeting at 1:00.
- With regard to the April 18 indoor flying demo event at the Chippewa River District Library (CRDL), we discussed room layout, flying demos, posterboard signs that needed to be made, etc. While Brian reported that the "super hero" foam airplane won't be assembled in time for this event, as long as we have other airplanes there for display, magazines and club/AMA literature to give away, and otherwise engage those in attendance, we should be fine. Please plan on arriving by 11:30 to help set up the room.
- Once again, the event committee had no report for us. ☺
- Concerning upcoming meetings during these warmer outdoor flying months, we discussed the merits of changing our monthly meetings to a daytime weekend format. Such a change would not only enable Brian to attend our meetings on a regular basis, but would also free up valuable and sometimes limited evening flying time. A motion to change the monthly meetings from the third Tuesday at 6:00 p.m. to the third Saturday at 1:00 p.m. with Tuesday evenings at 6:00 p.m. remaining as "training nights" was made by George Jennings, seconded by John Harper. Motion carried.

- Brian provided further information about the domains for our club website. We will keep both domains for now, and then just keep **mpmac.net** after the other one expires. He encouraged members to electronically send him photos and/or short videos of our aircraft to post on the website. We definitely need more pictures. Brian will also add a members-only e-mail list (**members@mpmac.net**) on the website to make it easier to either send a message to either an individual or a group. He will also add a “For Sale” section in case anyone wants to list something to sell.
- Brian reported that there is no FAA news to pass along, although the public comment deadline is April 24. I guess in the meantime we should continue our **Fly Smart, Fly Safe** practices.

Motion to adjourn was made by Susie Harper, seconded by George Jennings. Motion carried and meeting adjourned at 2:05 p.m.

Minutes taken by Susie Harper, Secretary/Treasurer
